### AutoCAD Crack + Download

Notable features include 2D and 3D drawing and analysis, data exchange (GIS), and remote access. The latest version of AutoCAD is 2020 and it is now available as web and mobile apps. Popular features Versions AutoCAD 2020 is released yearly. It has been released since 2015. The latest version of AutoCAD is 2020 and it is now available as web and mobile apps. Current versions of AutoCAD: AutoCAD 2018 AutoCAD 2017 AutoCAD 2016 AutoCAD 2015 AutoCAD 2014 AutoCAD 2013 AutoCAD 2012 AutoCAD 2011 AutoCAD 2010 AutoCAD 2009 AutoCAD 2008 AutoCAD 2007 AutoCAD 2006 AutoCAD 2005 AutoCAD 2004 AutoCAD 2003 Autodesk AutoCAD provides the following features: Drawing and drafting AutoCAD can perform 2D drafting and 3D modeling in addition to architecture, landscape, and mechanical design work. It is one of the most popular CAD applications and its popularity has increased with the rise in mobile computing. 2D drafting Among the most common features that are supported by AutoCAD are 2D drafting and 2D data entry. It supports vector editing, pattern recognition, snap-to editing, and physics editing. It supports line, arc, spline, polyline, and closed polyline editing modes. 3D modeling AutoCAD also supports three-dimensional (3D) modeling in addition to architecture, landscape, and mechanical design. Its most notable feature is the ability to create models that can be subsequently edited using an off-the-shelf geometric modeling program. Design and drafting The design and drafting capabilities of AutoCAD include some of the most popular modeling and design features used by architectural, landscape, mechanical, and engineering firms. A comprehensive set of tools for performing 2D and 3D drafting and modeling, including 2D and 3D forms, is included in AutoCAD. Import and export AutoCAD supports import and export of data files and other important features that allow its users to share design data. Interactive drawing The interactive drawing capabilities in AutoCAD provide the user the ability

### AutoCAD With Full Keygen Download
