Resident Evil: The Final Chapter (3D) (2017) - Movie in English, Tamil, Telugu and Hindi. Paul W.s. Anderson directed this film. Milla Jovovich, Ruby Rose, Ali ... and many other famous actors play in this film. There are some similarities to the 2018 Resident Evil: Afterlife movie, but this is not a remake, but a continuation of the story of how Chris Redfield

(Leonard McCoy) returned to Raccoon City. He must stop the Umbrella Corporation. The plot is gripping from the very beginning. As mentioned above, there are several familiar faces here. But in addition to familiar actors, there are many new faces. This movie is based on a comic book. And he's just great.
