December 9, 2020 (2 years, 5 months,
12 days ago) Tiny Image provides a
clean and easy to use interface for
users to compress their images using
the TinyPNG API. OK now I'm comfo
rtable that your API is working I can
give you more information. OK Umm,
I have to say that it's probably going to
be an issue with permissions. I don't
think it's allowed to update your API
key through our website. You're going
to need to request a new key to update
it. If you decide to do this, reach out to

us. We'll help you with the process.

June 16, 2020 OK, I'm going to guess that it's going to be a permissions problem. It's probably not allowed to update your API key through our website. You're going to need to request a new key to update it. If you decide to do this, reach out to us. We'll help you with the process. OK, I'm going to guess that it's going to be a permissions problem. It's probably not allowed to update your API key through our website. You're going to need to request a new key to update it. If you decide to do this, reach out to us. We'll help you with the process. Jul
